

Glass Governor ShowerGuard Glass Consumer Limited Warranty

What Is Warrantied and For How Long?

When registered as required below, installed as part of an indoor shower enclosure and regularly maintained following Glass Governor's recommendations according to water type, Glass Governor ShowerGuard glass is warranted to the Original End-user Customer to be free from visible staining, corrosion, or discoloration under normal use for as long as the Original End-user owns the shower in the original property where the shower enclosure was installed. Liability under this Limited Warranty is limited, at Glass Governor's exclusive option, to Glass Governor furnishing replacement ShowerGuard glass or refunding the difference in the Original End-user Customer's purchase price between ShowerGuard glass and standard glass, up to a maximum of \$10.00 per square foot. If Glass Governor furnishes replacement ShowerGuard glass under this Limited Warranty, the warranty coverage will extend to the replacement glass.

Who Is Covered?

Except where prohibited by state law, this Limited Warranty extends only to the Original End-user Customer and is nontransferable. "Original End-user Customer" means the original purchaser of ShowerGuard who installs the product in the purchaser's residence or other property, or one who contracts through a remodeler or contractor for the original purchase and installation of ShowerGuard for his residence or other property, or the first buyer of a property that contains ShowerGuard as a new installation. This Limited Warranty applies to ShowerGuard purchases after June 1, 2010. For warranty coverage for purchases before that date, please contact Glass Governor ShowerGuard Customer Service at the address below or through www.showerguardglass.com.

How To Register Your ShowerGuard Purchase To Obtain Warranty Coverage

To obtain coverage under this Limited Warranty, Original End-user Customers must register their purchases online at www.showerguardglass.com within 90 days of purchase, except where state law prohibits requiring registration. Customers should retain a copy of the online purchase registration page along with their invoice. Although registration is recommended for all purchases to ensure best customer service, purchasers in California and elsewhere where requiring registration is prohibited by law are not required to register to obtain warranty coverage and failure to do so will not diminish their warranty rights.
